RECRUITMENT NOTICE

Position: Environmental Engineer Senior (Architect/Engineer I)
Position No. 00174

Location: Big Stone Gap (Southwest, VA)

Salary Range: \$60,000 - \$84,062 (Band 5)

The Department of Mines, Minerals and Energy is seeking an individual to join a team of engineers to ensure mineral resource extraction is conducted in an environmentally sound manner and is in compliance with Virginia mineral extraction and reclamation regulations by evaluating permits, coordinating technical investigations of environmental impacts to determine cause and remedy, and developing project designs for Abandoned Mine Land (AML) bond forfeiture, and watershed restoration projects. This position will serve as backup to the responsible charge engineer's position in the Division of Mined Land Reclamation. This position has been designated as required to file a Statement of Economic Interests in accordance with Section 2.2-3114 in the *Code of Virginia*.

QUALIFICATIONS: Considerable knowledge of engineering principles and practices, computer operations, and computer mapping such as AutoCad and ArcGIS. Knowledge of mineral resource extraction practices. Demonstrated ability to apply engineering principles; to conduct technical investigations; to determine if environmental, geotechnical, or subsidence problems are mineral extraction related. Ability to communicate effectively verbally and in writing. Graduation from a college or university with degree in mining, civil, or environmental engineering is required. Experienced in application of engineering principles, preferably in the mineral extraction industry. Experience in coalfield hydrology, computer mapping, and application of regulations is desirable. Professional Engineer (PE) registration required.

TO APPLY: All applications **MUST** be submitted on-line through the Commonwealth Recruitment Management System (RMS) <https://jobs.agencies.virginia.gov>. Telephone (276) 523-8142. TTY/TDD: (800) 828-1120.
